## The Mine With More..

Travel 1800 feet inside a real coal mine as experienced tour guides share the history of the anthracite coal region.

Outside, 'Henry Clay', an authentic 1920s steamlocomotive, waits to take you on a journey to learn about surface and 'bootleg' mining

Our souvenir shop offers a selection of coal related items for you to take home. You can even enjoy a bite to eat from our snack shop while exploring the neighboring park.

And with plenty of free on-site parking, finding a spot is never an issue.
